

Bruce Tarnisiea

Iowa Great Lakes Corridor of Opportunity

After 5,
you're on vacation

"Our strength has always been our people. We have a well educated workforce, always anxious to learn more. Our internal training is complemented by the content and flexibility provided by our state universities as well as our community colleges. We work with them to create courses that support our life-long learning goals. We are committed to investments in our most important assets: our people."

- Bruce Tarnisiea, Tecton Industries
